CaféBar 1838 has an almost unfair advantage. Owned by an Award Winning Family Butchers (David Stein's) with over 40 years of experience our beef is the very best Scotland has to offer. We have worked with our local farmers for all of those 40 years, a unique situation which allows us to use the very highest quality produce but also provide great value for money.

Our cattle are reared locally by Gavin Scott at Gateside Farm and each steak is aged for a minimum of 21 days.
